Welcome
The Summer Program is off to a great start! Students and staff are adjusting well to their new spaces. We are looking forward to our new secure entry, office, and new roof when we start back to school. Thank you for your patience and understanding with our construction projects.

All-School Community Experiences
We have two all-school field trips planned for the summer. On Thursday, 7/25, students will be attending the Ottawa County Fair and on Thursday, 8/1, students will be attending the Grand Haven Coast Guard Festival. Both of these trips allow special learning opportunities for our students. We look forward to good weather and a great time!

Please be mindful that students will leave for home directly from the Ottawa County Fairgrounds on July 25 and from the Grand Haven Coast Guard Festival on August 1 and will arrive home either later or earlier than usual depending on how close you live to the Holland and Grand Haven areas. If you plan to attend either of these events with your student and will be taking them to the field trip or taking them home with you at the end of the day, please make sure to notify Dean Transportation at 616-738-4300. Signed permission sheets were due to your student’s teacher by July 8. If you need a new form, please let your students teacher know. *If your student will not be attending, please keep him/her home. There is not an option for students to stay in the building.

Emergency/Enrollment Paperwork
2019-2020 School Year
The first day of school is scheduled for Monday, August 26. If you haven’t already, please return your students updated enrollment forms as soon as possible. If your student receives occupational or physical therapy you will need to return the doctor prescription before school begins. The Medication & Treatment Information Form must be turned in and if medication is taken at school, a doctor’s signature is required. Please keep the office informed of any changes in phone numbers, address, emergency contacts etc.
Release of Students During the School Day
If your student needs to be picked up during the school day for a doctor appointment, etc., and will not be riding the bus home, please notify the office and also inform Dean’s Transportation office.
