Automotive technicians are in high demand. They require specialized training combined with self motivation. After completing a program, the expected wage should be in the 30K range.

**AUTOMOTIVE TECH AT CARRERLINE TECH CENTER**

Students receive current training in all areas of the automotive services industry.

**MAIN AREAS OF FOCUS**
- Brakes
- Suspension and Steering
- Electrical/Electronics Systems
- Engine Repair
- Engine Performance
- Heating & Air Conditioning
- Manual Trans & Drive Train
- Automatic Transmission

**LEARNING ENVIRONMENT**

Students put classroom knowledge and training into action by applying their training to actual production work in the automotive lab. This program is hands on and accredited by NATEF (National Automotive Technician's Education Foundation) and our instructors are ASE Master certified. In addition, students have the opportunity to take State of Michigan certification exams at the end of the year. The Automotive program may be taken for one or two years. First year students are placed into one of two auto groupings. Second year students switch areas.

**Automotive A:**
- Steering and Suspension (Master)
- Electrical Systems (MLR)
- Engine Performance (MLR)
- Heating/AC (Master)

**Automotive B:**
- Braking Systems (Master)
- Engine Rebuild (MLR)
- Manual Transmissions (MLR)
- Automotive Transmissions (MLR)

**HIGH SCHOOL CREDIT · ACADEMIC CREDIT · COLLEGE CREDIT**

You will earn elective credit at your high school when you complete this course. You may be eligible to earn 4th year math-related credit, 3rd year science credit, VPAA credit, and credit for an online learning experience, too. See your high school counselor for more information.
YOU MIGHT TAKE THIS CLASS IF YOU
- can work independently
- are detail oriented
- like to fix things
- work with accuracy
- are good at problem-solving
- have good reading skills
- are mechanically inclined

JOBS YOU CAN PREPARE FOR WITH FURTHER EDUCATION
- Automotive Technician
- Management
- Mechanical Engineer
- Service Engineer
- Business Owner
- Automotive Instructor
- Service Writer
- Sales (Auto, Tools, Parts, etc)

STUDENT LEADERSHIP
Automotive Technology students have the opportunity for leadership, competition, and community service through membership in our career/technical student organization.

CERTIFICATIONS
- Engine Rebuild
- Automotive Brakes
- Automotive Electrical/Electronic Systems
- Automotive Front-End Suspension
- ASE MLR
- Timken
- Valvoline

COLLEGE CREDIT
Students have the opportunity to earn college credit while still in high school through early college credit options and articulation agreements.

Direct Credit
Direct credit is actual college credit earned while in a Tech Center program. The credit appears on a college transcript and can be transferred to many colleges/universities throughout Michigan. A significantly reduced tuition is charged for each college class.

Articulated Credit
Articulated credit is credit that a specific college or university grants for classes taken at the Tech Center. Credit is posted to the transcript after the student has completed a certain number of classes. There is no charge for articulated credit and it cannot be transferred from one college to another.

Visit our website for more information on college credit: www.careerlinetech.org/ctc/collegecareerservices/collegecredit
