THE HEALTH CAREERS FIELD
Healthcare is one of the fastest growing employment fields in the country. People interested in this field provide healthcare services that can help identify, evaluate, prevent, and/or treat diseases.

HEALTH CAREERS/PHLEBOTOMY AT CAREERLINE TECH CENTER
Students learn the basics of patient care, diseases, phlebotomy skills and some basic medical skills.

MAIN AREAS OF FOCUS
- Healthcare Environment
- Safety in the Workplace
- Legal/Ethical Standards
- Infection Control
- First Aid/CPR Certification
- Basic Patient Care
- Medical Terminology
- Assessment
- Wellness
- Phlebotomy

LEARNING ENVIRONMENT
This course investigates the healthcare delivery system, its occupations and related sciences with an emphasis on Phlebotomy (blood draws) certification. Topics include the basic study of medical terminology, anatomy & physiology, and phlebotomy skills. Students learn skills that they will be able to use in a variety of healthcare settings. These skills include obtaining vital signs, safety in the healthcare setting, basic patient care, communication, CPR, and First Aid.

This class is a prerequisite for the Advanced Healthcare program.

HIGH SCHOOL CREDIT • ACADEMIC CREDIT • COLLEGE CREDIT
You will earn elective credit at your high school when you complete this course. You may be eligible to earn 4th year math-related credit, 3rd year science credit, VPAA credit, and credit for an online learning experience, too. See your high school counselor for more information.
YOU MIGHT TAKE THIS CLASS IF YOU
- can think on your feet
- are detail-oriented
- are organized
- are friendly
- like to work with people
- enjoy science
- are good at problem-solving

- Medical Assistant
- Athletic Trainer
- Physician Assistant
- Nurse Practitioner

STUDENT LEADERSHIP
Health Careers students have the opportunity for leadership, competition, and community service through various regional events.

CERTIFICATIONS
- CPR
- First Aid
- Phlebotomy

COLLEGE CREDIT
Students have the opportunity to earn college credit while still in high school through early college credit options and articulation agreements.

Early College
Early college credit is actual college credit earned while in a Tech Center program. The credit appears on a college transcript and can be transferred to many colleges/universities throughout Michigan. A significantly reduced tuition is charged for each college class.

Articulated Credit
Articulated credit is credit that a specific college or university grants for classes taken at the Tech Center. Credit is posted to the transcript after the student has completed a certain number of classes. There is no charge for articulated credit and it cannot be transferred from one college to another.

Visit our website for more information on college credit: www.careerlinetech.org/ctc/collegecareerservices/collegecredit
