CAREERLINE TECH CENTER
DRIVING AND PARKING REGULATIONS

Sending schools provide bus transportation to and from CTC; therefore, the option of driving to Tech is a privilege that may be revoked. These driving and parking regulations have been established to make your driving and parking experience as safe and convenient as possible. Your cooperation is necessary and appreciated.

REGULATIONS

1. All vehicles must be registered in order to park in the student parking lot at the Careerline Tech Center. The registration process involves completing and returning registration form.
2. Student parking is restricted to the student lot. (North Lot - Back of building). **USE THE 136TH STREET ENTRANCE/EXIT.** NOTE: Parking areas surrounding Tech Center (M-Tec, Mobil/Subway, etc.) are monitored and students found parking in their lots may be ticketed or towed.
3. Students are only to park in designated parking - not in fire lanes, designated handicapped spaces or client reserved areas near the building.
4. Driving speed in the lot and on the drives is not to exceed 10 mph.
5. Drivers are not to drive recklessly either in the lot or on the drives.
6. Students are not to exceed the State of Michigan established speed limit on their drive to or from CTC.
7. No loitering or sitting in vehicles is permitted.

Students may not drive to school if their district requires all students to ride their bus. If a student needs to drive to the Careerline Tech Center for field trip purposes, they must obtain permission from their high school administrator before they drive to the Careerline Tech Center.

Issues such as failing to register a vehicle, littering, squealing of tires, or other unsafe, disruptive, or hazardous actions may result in a loss of driving privileges and/or other disciplinary actions. Students who drive to or park at the Careerline Tech Center while on a “driving suspension” will lose their driving privileges for the remainder of the school year.

If driving concerns persist, additional driving regulations may be adopted or existing regulations adjusted to remedy the situation.

The OAISD/Careerline Tech Center does not discriminate on the basis of race, color, religion, sex, national origin, age, height, weight, marital status, handicap, disability, or limited English proficiency in any of its programs or activities. The following office has been designated to handle inquiries regarding the nondiscrimination policies: Director of Human Resources, Ottawa Area Intermediate School District 13665 Port Sheldon Street. Holland MI 49424 (616)738-8940.

I have read and will comply with the CTC Driving and Parking Regulations above.

The right to drive to CTC is a privilege. If you do not comply with the CTC driving regulations, your driving privileges may be suspended.
