Tier 2 Implementation Calendar

DELTA MATH RtI PROGRAM

	Aug.	Sept.	Oct.	Nov.	Dec.	Jan.	Feb.	March	April	May
Annual Preparation ➢ Provide district enrollment files *(Required)* ➢ Assign additional building administrators *(If Necessary)* ➢ Create course groups *(If desired)* ➢ Build an implementation calendar ➢ Print and organize screening materials ➢ Prepare staff for implementation ➢ Prepare staff to screen students ➢ Prepare staff to provide tier 2 intervention	x									
Fall Readiness Screening and Data Review ➢ All students *(Grade 1 through Alg. 1)* o To identify students who need fall tier 2 interventions		x								
Provide Tier 2 Intervention for Readiness Standards 1, 2 and 3 ➢ All students if **more than 30%** performed below benchmark. ➢ Small groups if **30% or fewer** of the students performed below benchmark		x	x							

Winter Readiness Screening and Data Review
➢ All students *(Grade 1 through Alg. 1)*
  o To measure how students responded to fall tier 2 interventions
  o To identify students who need winter tier 2 interventions
					x					

Provide Tier 2 Intervention for Readiness Standards 4, 5, *6 and 7 where applicable* ➢ All students if **more than 30%** performed below benchmark. ➢ Small groups if **30% or fewer** of the students performed below benchmark				x	x	x				
Late Winter Screening-up and Data Review (Includes Kindergarten) ➢ All students are "screened up" using the Winter readiness screener for the next grade level to identify students who may need additional tier 1 support							x			
Provide <u>Tier 1</u> Intervention ➢ All students if **more than 30%** performed below benchmark. ➢ Small groups if **30% or fewer** of the students performed below benchmark **Note:** <u>Tier 1</u> intervention is focused on the readiness standards for the next grade level and based on the Late Winter Screening-up data							x	x	x	

Spring Readiness Screening and Data Review
➢ Only students who received winter tier 2 interventions
  o To measure how students responded to the winter tier 2 interventions
  o To identify students who need spring interventions
								x		

Late Spring Screening-up and Data Review (Includes Kindergarten) ➢ All students are "screened up" using the Spring readiness screener for the next grade level to measure how students responded to tier 1 instruction and to identify students for summer interventions										x
